Privacy and Security Policy

Thank you for visiting our web site. This privacy policy explains how we use personal information collected at this site. Please read this privacy policy before using the site or submitting any personal information. By using this site, you are accepting the practices described in this privacy policy. These practices may be changed, but any changes will be posted and changes will only apply to activities and information on a going forward, not retroactive basis. You are encouraged to review the privacy policy whenever you visit the site to make sure that you understand how any personal information you provide will be used.

Note: the privacy practices set forth in this privacy policy are for this web site only. If you link to other web sites, please review the privacy policies posted on those sites.

Collection of Information We collect personally identifiable information, like names, postal addresses, email addresses, etc., when voluntarily submitted by our visitors. The information you provide is used to fulfill your specific request unless we receive permission to use it in another manner, for example to add you to one of our mailing lists.

Distribution of Information We may share information with governmental agencies or other companies assisting us in fraud prevention or investigation. We may do so when: (1) permitted or required by law; or, (2) trying to protect against or prevent actual or potential fraud or unauthorized transactions; or, (3) investigating fraud which has already taken place. The information is not provided to these companies for marketing purposes.

Security Systems and Procedures We can arrange secure private FTP Mailboxes for your lists and our reports.

AFAC's File Transfer Protocol (FTP) is fully compliant with Federal Information Processing Standards (FPIS). Our FTP server can process fully encrypted files for both inbound and outbound traffic

We employ SFTP software that is the same technology as is used by the Department of Defense and has been validated by appropriate government testing authorities. This allows us to meet the secure FTP requirements that your organization demands.

Your data can be as secure as you require. AFAC will allow complete compliance with HIPAA Rules, Gramm, Leach Bliley Privacy Act and any additional security and/or privacy standards.

Commitment to Data Security Your personally identifiable information is kept secure. Only authorized employees, agents and contractors have access to this information. All emails and newsletters from this site allow you to opt out of further mailings.
